Dear Mr. Quello,

RE: "Must Carry" for WSHS-TV

We feel channel 66 serves the public interest in many ways. We have had several opportunities to work with the station on the show "In Your Interest". They originally contacted us for an interview concerning mail fraud (in this case diet pills) and they produced a very informative program that hopefully caused people to be more careful in their purchases.

I am writing to urge you to vote for granting "Must Carry" status to WSHS. It will be an asset to have WSHS-TV carried on all cable systems so that everyone will be able to take advantage of their local programming.

Thank you for your consideration.

Sincerely,

Joan Parker
